Family Bible Study introduces...

Character Sketches:

From the Pages of Scripture, as Illustrated by God's Creation

When: Wednesdays, 6:30 – 8pm, February 17- April 28

Where: Hope Summit Christian Church Basement

Who: Any family: members of all ages, singles welcome

What: Teachings for our daily lives from Biographies of Bible characters coupled with lessons from the beasts, birds and fishes. (1 Corinthians 10:11, Job 12:7-8)

Family Bible Study (FBS) is a family lead, weekly fellowship designed to teach God's Word to our children, and to teach them how to become teachers of the Word themselves. Each week, the job of teaching rotates from one family to the next. Parents lead their children, first at home, and then in our weekly study, in the teaching of the lesson to the other families. We have materials to launch the study, but each family is free to design the lesson however the Spirit leads them using additional readings, worksheets, object lessons, skits or crafts to reinforce the Biblical lesson. There is no wrong way. The idea is to begin diving into God's Word together. Questions? Call Rick or Bonnie Erpelding, 634-3186.

"You shall teach them diligently to your children" (Deut 6:7).
